Charles Loviolette talked to the supervisors about making a donation to the library for the 2013 year. He also gave an up-date on the "happenings" at the library.

Supervisors thanked him for the information.

Clay Andrews from Penn Forest Road asked the supervisors to place children at play sign on the road to help keep speeders in check. He also asked for a speed limit sign to be placed; 25 or 35 MPH.

Solicitor Tom Nanovic explained that a speed study would have to be done before this could take place and that within the township the speed limit is 55mph, with the exception of Stable Road because of the school.

Supervisors thanked Mr. Andrews and said they would talk to the road-master and have him place children at play signs.
