Type of request:

Address and cross streets where services requested.

Any costs incurred by Towamensing Township ("Township") on your behalf will be billed to you and be your responsibility to pay. This includes engineering fees and costs related to investigating your issue (eg. mapping fees, copying costs, and the like). Persons who choose to have their own engineer, contractor, etc. look at their issue may still ask the Township Engineer to review the findings. In such case, these engineering fees will also be billed to you and be your responsibility to pay. In the event the
