The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 (Uniform Construction Code) and any additional approved permit required by the Township. The property owner/applicant assumes the responsibility of locating all property lines, setback lines, easements, rights-of-way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Township or Regulatory Agencies. The applicant certifies he/she understands all the applicable codes, ordinances and regulations.

Application for a permit shall be made by the owner or lessee of the building or structure, or agent of either, or by the design professional or contractor employed in connection with the proposed work.

I certify that the Building Code Official or the Construction Code Official or their Authorized Representatives shall have the authority to enter areas covered by this permit at any reasonable or mutually agreed time to enforce the provisions of the code(s) applicable to this permit.

A plot plan must be attached with this permit application. Include all existing structures, driveways, parking areas, pools, and all impervious surfaces with their dimensions. All new structures must show exact dimensions from the property lines.
